News Release

JCL International, LLC and Dealers Services Corporation announce increased financing options for dealers.

Dallas, TX, November 9, 2007 - JCL International, LLC and Dealer Services Corporation are pleased to announce they have reached a new agreement that offers increased inventory financing (floor planning) for the JCL International dealer network. The new financing agreement allows JCL's dealers to increase their inventory and revenue with added financial flexibility.

DSC will provide financing for both new and used products. Terms available for new JCL units can be extended to 365 days. DSC is one of the fastest growing inventory financing companies in the US and maintains 33 branches and 60 full service locations. Currently, DSC has financial relationships with over 7000 dealers nationwide. Dealers interested in participating in the new program can visit www.discoverdsc.com for an application, requirements, and/or their corresponding local DSC office.

JCL International, LLC, distributes safe and reliable power sport equipment at affordable prices. JCL operates an 80,000+ square foot distribution center in Dallas, TX. All products are EPA approved, and carry a minimum six-month limited parts warranty.
