(Attachment C)

Notice of Waiver of Protest

Dear customer:

We appreciate your interest in signing up as a JCL authorized dealer. The requirements to become a JCL dealer are:

1. A Building with 1500sq. ft.+ finished showroom and with additional assigned service and storage area.
2. Major highway frontage.
3. \$10,000.00 initial inventory order.

Once our customer meets those requirements, JCL will offer the customer a certain mileage radius as their exclusive protected territory according to each individual state law.

We will not be able to offer any exclusive territory if a customer can not meet the above requirements. Also, we understand all businesses start small and we do appreciate the opportunity to have your future grow with us.

JCL will however like to offer you a temporary franchise contract so we won't miss any good potential customers because of its current business stage.

The temporary franchise agreement is not any different from our regular franchise agreement; except we can not offer you any protective territory. We will review your businesses status in three months time.

Thank you,

Leo Su
President
